Sabrina Pabilonia

Research Economist

U.S. Bureau of Labor Statistics

RABE Speaker on Friday, November 4, 2022

Topic: The Future of Work

Sabrina Wulff Pabilonia is a research economist in the Office of Productivity and Technology at the U.S. Bureau of Labor Statistics (BLS). She also currently serves as president of the Society of Government Economists. She received her bachelor's degree in economics from Smith College and Ph.D. in economics from the University of Washington. Her current research interests include measuring hours of work, productivity dispersion within detailed industries, remote work, time use, state productivity, economics of technological change, effects of the Great Recession and COVID-19, and economics of education. She has published in leading international journals such as the Journal of Human Resources, Canadian Journal of Economics, Small Business Economics, Economics of Education Review, and Labour Economics.

Dr. Pabilonia joined IZA as a Research Fellow in her personal capacity in March 2012.
